CONSTRUCTION WORK CONTINUES AT DOVER TOLL
ON THE SPAULDING TURNPIKE
ONE LANE CLOSED FOR MOST OF THE WEEK BEGINNING 5/10/04

The New Hampshire Department of Transportation announces construction work will continue on Monday, May 10, 2004 in one lane at the Dover Toll Plaza on the Spaulding Turnpike.

This concrete work, which is related to the planned implementation of a new toll collection system, will require the closing of one lane for up to five days, beginning at 9:00 AM on Monday, May 10.

There will be one closed lane southbound (Lane 4). Similar work is being done throughout the entire Turnpike System.
